CAREER OBJECTIVE

I'm a passionate front-end web developer, I use my expertise in Angular to craft engaging and responsive web applications.
I honed my skills by tackling many challenges and by following *theodinproject.com* curriculum.
Now, I'm eagerly seeking my first developer position or internship to contribute my technical savvy to innovative projects. I'm confident in my ability to learn quickly, collaborate effectively, and deliver high-quality code.

EXPERIENCE

Frontend Developer at **Analygital**
November 2021 - Present
- Maintained websites with WordPress, Elementor and Woocommerce.
- Built a script to complete technical tasks quickly and efficiently, using JavaScript.
- Implemented search engine optimization techniques with the help of WordPress plugins.
